

Kastrup, 25th of January 2012

We are pleased to announce the appointment of **Lars Halskov Nielsen** as **CI Manager**, effective February 1, 2012

Lars will join us from a position as Productivity Consultant in Danish Industries (DI) where he was part of the team responsible for implementation of Lean in Danish companies.

Before joining DI Lars was employed more than 10 years in House of Prince working with production planning, logistic and Supply chain. The last 5 year five years he hold the position as Production Manager.

Lars has a degree as production engineer added with examines in Prince 2, six sigma and Lean

Lars will report to me and have office next to mine.

Please join us in welcoming Lars to his new role.

Kind regards
Sats

Vi er glade for at kunne meddele at **Lars Halskov Nielsen** tiltræder stillingen som **CI Manager** den 1. februar 2012.

Lars kommer fra en stilling som konsulent i Dansk Industri (DI), hvor han var del af det team, der var ansvarlig for implementering af Lean i danske virksomheder.

Tidligere var Lars ansat i mere end 10 år hos House of Prince, hvor han arbejdede med produktionsplanlægning, logistik og indkøb. De sidste 5 år var han ansat som Produktionschef

Lars er uddannet produktion ingeniør og har suppleret med uddannelser indenfor Prince 2, six sigma og Lean.

Lars vil rapportere til mig og vil sidde i kontoret ved siden af.

Vi byder Lars velkommen i Gate Gourmet.

Med venlig hilsen
Sats
