## **Ændringer i den Skandinaviske Finance organisation**

Det er med glæde vi kan byde velkommen til Miguel Buccellato som er ansat hos os som Scandinavian Head of Controlling. Miguel begynder at arbejde hos os den 1. april 2010. Miguel har tidligere arbejdet som Commercial Finance Manager for Gate Gourmet i London. Han vil have base i København men have det daglige ansvar for alle lokale controllers i hele Skandinavien.

Tobias Bær vil overlevere samt supportere os frem til hans sidste arbejdsdag for Gate Gourmet. Vi vil gerne benytte lejligheden til at takke Tobias for hans gode arbejde og support og vil ønske ham held og lykke med hans fremtidige udfordringer.

Stefan Wadosch vil fremover have ansvaret i en matrix organisation for alle DTP Back Office funktionerne i hele Skandinavien. Den enkelte medarbejder vil dog fortsat referere til den lokale finansafdeling. Stefan vil have base i Oslo og vil fortsat rapportere al vedrørende den norske operation til den lokale norske finansafdeling.

Christian Marohn tiltræder i hans nye stilling som Head of Revenue Assurance hvilket vil være vitalt i henhold til at tilsikre at vores fakturering gøres korrekt og i henhold til kontraktsprog. Han vil arbejde tæt sammen med både vores kommercielle afdelinger såvel som vores operationelle afdelinger. Han vil fortsat have base i Arlanda.

Chris Banks vil fortsat have ansvaret for GG Logistics set ud fra et finansielt synspunkt, men vil med tiden også blive involveret i andre finansielle opgaver, specielt med support til Danmark.

Stillingen som Finance Manager Denmark vil dækkes af Head of Finance Scandinavia i en dobbelt funktion. Stillingen supporteres direkte af Susanne Ollendorf (Head of Accounting DK) samt Chris Banks (Finance Manager GG Logistics).

Den fremtidige finansafdeling vil fortsat udvikles samt tilpasses vores behov og vil spille en vigtig rolle i supporteringen af Gate Gourmet i Skandinavien under denne vigtige overgangsperiode.
