FORLÆNGELSE AF SAS KONTRAKTEN

Det er med glæde, at vi kan meddele at den eksisterende kontrakt med SAS er forlænget, fra oprindeligt at udløbe i år 2014 så den nu udløber i år 2016. Dette gælder for hele Skandinavien.

“Vi er meget stolte af at kunne forlænge vores stærke samarbejde med Scandinavian Airline System. Begge firmaer deler en stor passion for punktlighed, innovation og kvalitet” siger Andrew Gibson, interim Chief Executive Officer af GateGroup. “Vi er glade for, at kunne bibeholde SAS som en af Gate Gourmet’s nøgle kunder flere år frem i tiden”.

Gate Gourmet, a member of gategroup, has extended the existing contract with Scandinavian Airlines System (SAS) meant to expire in 2014 for two additional years to 2016 covering catering and provisioning services at the airline's three main hubs in Copenhagen, Stockholm/Arlanda and Oslo as well as other locations in Scandinavia.

“We are extremely proud to extend and expand the strong partnership with Scandinavian Airlines System. Both companies share a passion for reliability, innovation and quality,” said Andrew Gibson, interim Chief Executive Officer of gategroup. “We are pleased to retain SAS as one of Gate Gourmet’s key customers well into the future.”
