## **Supply Chain Controller – Mette Work**

Vi er glade for at kunne meddele, at vi nu kan byde velkommen til vores nye kollega i Supply Chain – Mette Work, som starter hos os den 13. september 2011.

Mette er i gang med at skrive sin Master Degree i Supply Chain Management. Mette har under sin studietid været i Sydafrika, hvor hun blandt andet har lært meget mere om handel på tværs af landegrænser, men også om at analysere kunders supply chain.

Mette vil være at finde på kontoret på B1.

Vi byder Mette velkommen og ønsker hende al mulig held og lykke i hendes nye stilling.

---

We are happy to announce that we now can welcome our new colleague in the Supply Chain department – Mette Work, who will start working for us 13<sup>th</sup> of September 2011.

Mette is currently writing her Master Degree in Supply Chain Management. Mette has during her studying been in in South Africa where she, among many other things, have learned much more about trading across borders, but also to analyze upon customers supply chain.

Mette will be working at the office in B1.

We welcome Mette, and wish her all the best in her new position.

Med venlig hilsen / best regards  
Camilla Bjerre  
Supply Chain Director, Scandinavia
